### REMARKS

The Applicants would like to thank the Examiner for the time spent discussing this application by telephone on June 18, 2003. In response to that discussion, Applicants have amended claims 1, 4-7, and 25 as suggested by the Examiner to advance prosecution of the present application. While the Applicants continue to aver that the claims prior to the present amendments are allowable over the art, claims 1, 4-7, and 25 have been amended as suggested by the Examiner in view of the finality of the rejection to place the claims in condition for allowance. Applicants reserve the right to pursue claims directed to further subject matter in any continuing applications filed hereafter. Claims 1-7, 9-16, and 25-34 are believed to be allowable

and an early notice to such effect is earnestly solicited. Should the Examiner have any questions or comments regarding the foregoing response, he is invited and urged to telephone the undersigned attorney.
